

The Art of the Dining Table

Trudy Snaih, etiquette consultant and designer of table displays for three Creative Tabletop events in Bermuda, presents this informative and interesting seminar on the etiquette of creating elegant tables. The three hour session will cover basic rules of table settings, styles and history. She will also share her expertise on creating holiday themes for the table, care of tableware, finding and using collectables and many other dining table related topics acquired from years of entertaining. An interactive session where discussion is encouraged and questions are welcome.

Upcoming classes in
October and November
2013. For more information
