

# *A class in Afternoon Tea*

An extensive, three-hour course that guides participants through every detail necessary to plan, prepare for and enjoy an afternoon tea. From extending the invitation, choosing the menu, setting a table for tea, to tea time etiquette and more. As a keepsake, each participant will receive an illustrated booklet that includes recipes. Individuals completing this course will be able to confidently host a tea at home or in public settings.

And, so that participants may fully appreciate the benefits of this time honored ritual, the option to relax and enjoy a proper afternoon tea before the course concludes, is offered. Reservations for the additional tea option must be made at the time of booking the class.

A minimum of five people is required to conduct this class.
